Bridge Reconstruction Project Delayed
Memorial Drive to Remain Closed For Start of School

Dear Residents -

It is with great disappointment and frustration that I must inform you that the ***Memorial Bridge Reconstruction Project*** will not be opened in time for the first day of school on Monday, August 22nd. It is the City's goal to have the northern pedestrian bridge opened for school foot traffic. We are working with TxDOT, the contractor and the Memorial Villages Police Department to see if this can be accomplished ensuring the safety of the area for our students and parents. We expect the bridge reconstruction to be completed and opened for vehicular traffic in mid to late September.

I know this project has been a huge inconvenience for many of you and I offer my sincere apology for not only the inconvenience but also the delay. Please know the City continues to monitor and push the project forward to completion.

Again, we thank you for your patience and understanding of this safety project. Please help us spread the word to your family, friends, neighbors, and visitors.

Cordially,
Karen Glynn
City Administrator
